Your gift helps build pathways to economic stability in Whitfield and Murray counties. We believe all communities should be safe, healthy, and thriving - no matter the zip code. United Way achieves this vision by strategically investing our donor dollars into proven local programs that provide greater access to basic needs and support a collaborative non-profit network to strengthen our community.

Many affordable multifamily housing developments in Whitfield County were built decades ago and are in need of major rehabilitation. In 2022, United Way partnered with the Dalton Housing Authority (DHA) to fully renovate a triplex housing unit for up to 18 residents. We are honored to continue the partnership with DHA. We will be fully renovating another triplex housing unit that should be completed by September. This will preserve affordable housing units in our local community and the renovations will increase the quality of life for the individuals and families who live in this low-income neighborhood.

With your support, United Way can continue rehabilitating additional housing units to provide more affordable housing. In turn, this will help low-income families build a pathway to economic stability.

**YOU PROVIDE TRANSITIONAL HOUSING FOR ONE YEAR FOR FOUR FAMILIES. TRANSITIONAL HOUSING BRIDGES THE GAP FROM HOMELESSNESS TO PERMANENT HOUSING BY OFFERING STRUCTURE, SUPERVISION, SUPPORT, LIFE-SKILLS EDUCATION, & JOB TRAINING.**
