

IMPROVING OUR HEALTH

Your gift supports prevention services so youth and adults are healthy and avoid risky behaviors. Your gift also provides access to mental and physical health services. Our health affects all that we do, from our productivity or absences from work, to our performance in school, to our relationships with others in our community. We envision a future where everyone in our community is healthy and thriving. United Way is dedicated to improving the mental and physical health of everyone in Whitfield and Murray counties. Visit our website, ourunitedway.org/dial-2-1-1-help, to view our Community Resource Guide and Mental Health Resource Guide.

TOGETHER, WE CAN CHANGE WHAT'S POSSIBLE.
